

# SCIENCE WEEK WORKSHOPS

Fun, creative science workshops

**Science. Technology. Engineering. Art. Maths**

Explore hands-on science workshops with the team from Fizzics Education.

How does a chair of nails work? Can you create a tornado in a bottle?

Balance birds, explore magnets and much more in this fun science workshop!

Mix education with fun by booking your children into this workshop.

They will be in awe of the amazing experiments!

**Eckersley's Castle Hill Store - Sunday 13th August**
