

## MAIN ACTIVITY

# LET'S WRITE A LETTER TO A FISHER!

## STUDENT COMPETITION

To Marine Stewardship Council (MSC) is hosting a challenge for schools to write a letter to real life sustainable fisher!

In their letters, students may like to share why they love the ocean; their own experiences with fish and fishing; give thanks to fishers for the hard work that they do; or why they think that sustainable fishing is important.

**Students are highly encouraged to include drawings, paintings, or other creative expressions!** When the letters are delivered, the MSC will create a short film together with the fishers so that students can see the fisher's responses. [Watch a video of the letter writing project from Spain.](#)
