

Reel Respect. Fish Smart, Keep it Clean

Celebrate National Science Week with a special event promoting sustainable fishing and healthy waterways.

Hear from guest speaker **Lubin Pfeiffer**, well-known YouTube fisherman behind *The Full Scale Fishing Adventures*, and Michelle Slater, Project Manager from OzFish.

Discover practical tips to reduce your environmental impact.

Explore our new Citizen Science Corner and learn how you can get involved.

Where: Swan Hill Library

When: Wednesday, 13 August @ 7:00pm
Supper provided

For more information or to book, please contact the library on 03 5036 2480.

A National Science Week event, presented with the support of the Inspiring Victoria program.
